Questions

- How many communities we have?
- Who is central?
- Difference between networks

Results - FULL GRAPH

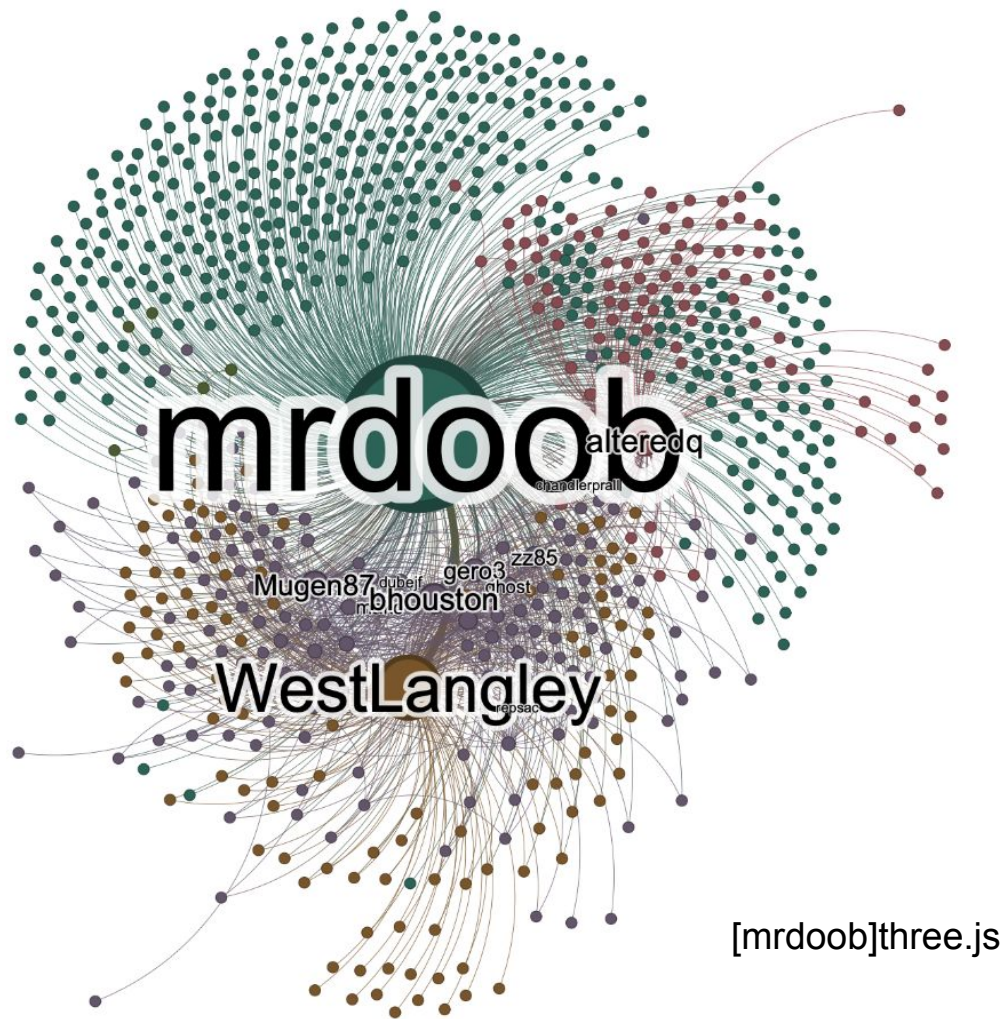

Results - Bipartite graph

Results - Projection on users

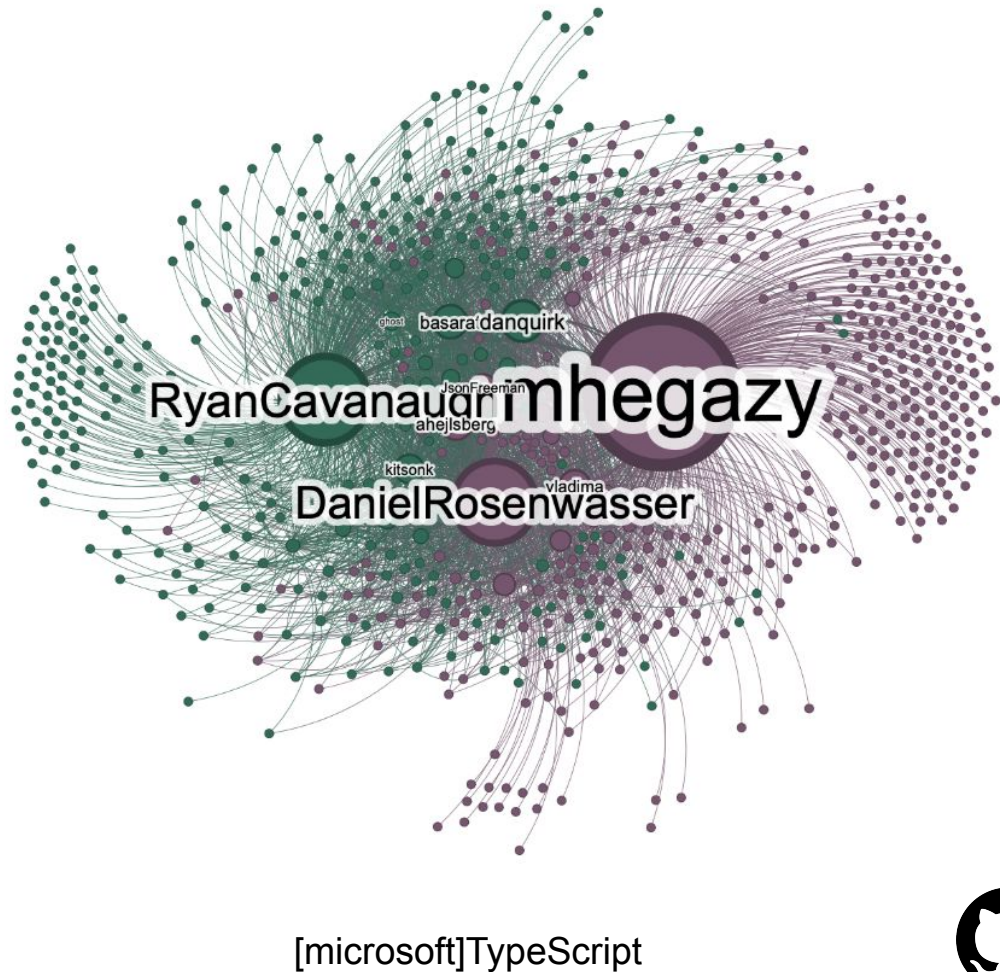

Results

[mrdoob]three.js

Results

Results - Microsoft

to be continued

[microsoft]TypeScript_graph_users

[microsoft]vscode_graph_users

[microsoft]terminal_graph_users

Cumulative histograms for first 10 repositories

Cumulative step histograms for first 10 repositories

Cumulative step histograms for log first 10 repositories
